*“Fostering Wisdom - Harvesting Success”*

April 3, 2009

You are cordially invited to our End of the Year Partnership Awards Ceremony on Tuesday, May 5, 2008 in the FWHS Cafeteria.

We will begin with a meet and greet beginning at 6:30 p.m., followed by the award ceremony at 7:00 p.m. During this time, you will have an opportunity to meet some of our partners and see some of the things that our students have learned during their hands-on classroom labs.

We look forward to sharing our experiences with you, and look forward to seeing you at the awards ceremony!
